

THE BAGNOLES TREATMENT PROGRAMMES

1 OR 2 HALF-DAY TREATMENTS

To revitalise, release muscle tension, improve your circulation or simply relax, b'o thermal spa offers treatments to meet your needs and wishes, for half a day, two half-days or more. So you can enjoy the distinctive benefits of the thermal waters of Bagnoles de l'Orne, unique in Europe. You can choose the number of treatments according to your wishes.

DETOX PROGRAMME

Based on Bagnoles thermal expertise, the detox treatment programmes are designed to improve lymphatic and blood circulation in the lower limbs, recover flexibility and lightness in your legs and help to eliminate toxins after physical activity.

EXCLUSIVE AQUAPRESS® COMPRESS TREATMENT:

Based on medical research, the b'o thermal resort compress treatment combines the application of thermal water with gentle vascular compression to provide lasting relief to your legs and improve venous circulation. Exclusive to b'o thermal resort.

⁽¹⁾ Kneipp treatment: localised shower for the lower limbs. The treatment alternates between a spray of hot mineral water (36 °C) and cold mineral water (18 °C) in fine droplets on your legs. This makes them feel lighter and stimulates circulation.

⁽²⁾ Following COVID-19 related public health measures, access to the thermal water steam room and sauna may be closed by administrative order.
