THE B'O COTTAGE**** RESIDENCE IN A FEW WORDS

A WIDE CHOICE OF FULLY INDEPENDENT STUDIOS AND APARTMENTS

In keeping with the Bagnoles architectural style, our charming 4-star accommodation located in the heart of the thermal park combines Belle Époque style with the modernity of a new generation of tourist accommodation. b'o cottage offers generously sized luxury apartments, ranging from studios for 2 to family suites for 6 people (details on page 30), most of which have a balcony or private garden. Some of the apartments can be adjoining (on request). In addition to refined decor, apartments are equipped with a television with international channels, a fully equipped kitchen with a ceramic hob, dishwasher, microwave/grill, coffee maker, kettle and toaster, a bathroom with a walk-in shower, and new bedding (mattress, duvet and pillows). b'o cottage**** offers you all the comfort, space and essential services you need to enjoy a unique experience!

A PARADISE FOR CHILDREN

b'o cottage**** has everything you need to entertain your children and give them unforgettable memories. While parents enjoy a spa treatment, children from the age of 3-12 can play, move and get creative at Club Tib'o. Specially designed for children aged 3 to 12, Club Tib'o has all the facilities to keep children entertained. Toy chests, materials for creativity and discovery... children are spoilt for choice, as they dive into painting, build forts, participate in the mini-Olympics and more.....

Teenagers can hang out in the 'Den' area, which has been fitted out with them in mind, with games consoles, music, television, DVD players etc.

In addition, nearby, you'll find many activities on offer in the heart of Bagnoles de l'Orne which cater to teenagers: forest adventure trails, bike trails, tennis, archery... Plenty of things to keep them entertained.

Each member of the family can do their own thing at b'o cottage, before coming together to share their adventures and fun-filled activities of the day.

SPOTLIGHT ON... THE TEEN SPA!

b'o thermal resort already looks after children aged 3 to 12 at the Tib'o club, and there are also facilities for 13-16 year olds. As well as their own special hangout for socialising and playing games, the Den, b'o resort now offers them applebased treatments, which can be discovered at b'o thermal spa. These features have been specifically designed for teenagers and can be enjoyed with friends or with parents. A good way to discover the benefits of looking after yourself.

A MULTI-PURPOSE ACTIVITY COMPLEX FOR MAXIMUM ENJOYMENT

With different spaces reserved for sports, play and recreational activities, this truly multi-purpose leisure complex offers a vast array of different activities. Leisure pools and a steam room: whatever your age and tastes, everyone can savour a moment of well-being and renewal.

- Indoor leisure pool which opens onto the outdoor solarium: 150m² pool with counter-current swimming area, whirlpools, submerged massage loungers, waterfall shower, swan neck shower & standing massage, hydro-massaging corridor
- Children's swimming pool with 2 pools, water games, slide, water cannon
